

HAPPY BIRTHDAY !!!

FROM STEELE CANYON HIGH SCHOOL PTO

Congratulations on Turning 18!

You are now considered an adult in many life situations. To help you understand your newly acquired rights and responsibilities, please take the time to read the pamphlet, "When You Turn 18." It is very informative and should aid you in making future decisions.

Among your many new areas of opportunity is the right to vote. Please visit the Voter Information website for registration details. http://www.sos.ca.gov/elections/elections_vr.htm

Information regarding the Selective Service System (for men) can be found at their website. Please note that men must register with 30 days of turning 18. <http://www.sss.gov/regist%20information.htm>

We wish you success in whatever path you choose to pursue.

Congratulations!
